

## Agusta 109C

The Agusta 109C is a twin-engine helicopter equipped with air-conditioning, luxurious interior and retractable landing gear. With its streamlined design and powerful engines, it will take you to your destination in the fastest possible way. Fulfilling the promise of its meticulous design, the A109C flies smoothly and quietly, from the hover all the way up to its top speed. The A109C features a luxury, comfortable interior that can be configured for up to 8 seats (crew of 2 & 6 passengers). Large picture windows ensure all passengers enjoy fantastic views!
