

Cessna Citation XLS+

The Citation XLS+ is the newest and most advanced iteration of Cessna's medium jet mainstay. It features updated engines, state of the art interior and avionics, to ensure passengers are carried in the height of comfort for flights of up to 5 hours. A customer favorite, the Cessna Citation XLS+ can accommodate up to nine passengers. With its' spacious standing cabin and large leather seats, the aircraft has a reputation for style & comfort. Equipped with advanced entertainment options and cabin control mechanisms, the flight never gets boring, while a separate lavatory and a full refreshment area are also available.

The XLS+ also offers class-leading baggage space. Skiing or golfing or other sporting equipment comfortably fits in the large hold, besides regular luggage.
